### RFID Acknowledgment & Agreement

- The RFID device always remains the exclusive property of the Association.
- The RFID device is issued for one specific vehicle only and may not be transferred, shared, duplicated, or altered.
- The RFID device must be displayed and used in accordance with Association requirements.
- Lost, stolen, or damaged RFID devices must be reported to the Association immediately.
- A replacement fee of **\$20.00** per RFID device will be charged for any lost, stolen, damaged, or unreturned device.
- The Association reserves the right to deactivate the RFID device immediately for misuse, rule violations, expiration of lease, or upon request by the Owner.
- Failure to return the RFID device upon move-out, expiration, or demand may result in charges, fines, or enforcement action as permitted by the governing documents.

**Owner Authorization (REQUIRED)**

I, the undersigned Owner of Record, acknowledge and understand the responsibilities associated with the RFID hangtag as outlined above. I accept full responsibility for compliance with all Association rules, regulations, and governing documents.
